LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
No. ARD 2000-009

Dear Mr. Mallet:

The Department of Environmental Services, Air Resources Division (DES), has reviewed the actions taken by APC Paper Company (APC) in response to Letter of Deficiency No. 2000-009. DES has determined that the specific issues addressed in the Letter of Deficiency have been resolved in a manner consistent with DES rules relating to air pollution control. Therefore, DES hereby issues this Letter of Compliance.

Please be advised that DES will continue to monitor the compliance status of APC and that this letter does not provide relief against any existing or future violations. It is important that APC be aware of all the requirements stipulated in their Title V Operating Permit TV-OP-004 (permit). The annual compliance certification required by Item 9 of Table 7 – Applicable Reporting Requirements, Section VIII.F of the permit is a statement certifying compliance with all conditions and requirements of the permit. Please feel free to contact DES should you have any questions regarding what is required to comply with the permit.

If you have any questions regarding this Letter of Compliance, please contact Raymond Walters at (603) 271-6288 or Mary Ruel at (603) 271-6795 of the DES, Air Resources Division, Compliance Bureau. Thank you for your cooperation.

Sincerely,
